Interested in Creating Visual Designs for Communicating Science Effectively and Engagingly?

Join professors Hiram Henriquez (former National Geographic graphics editor) and Neil Hammerschlag (RSMAS, U Miami) and learn how to edit, illustrate and design infographics, videos and animations that educate readers and bring science to life. Emphasis is placed on research and teamwork to generate projects for use in real-world applications.

Sign Up For ECS 572 U33 Applied Science Visual Lab

SPRING SEMESTER 2015
