Attention students:
It is once again time for the University of Miami to submit candidates to receive the 
The Capt. Harry D. Vernon, Jr. Memorial Scholarship and The Circle of Friends Scholarship
As in past years, they award funds to graduate students pursuing studies in areas related to billfish.

This can be actual biologic science or social science (economics of billfishing).

The requests must be submitted in writing, electronically to Cary Rios. Please include the following:

- Name of Scholarship applying for (can be both)
- a brief (1-2 paragraphs) synopsis of your work
- Student's name
- email address
- phone number(s)
- Advisor/PI's name
- Please have your application to me (by e-mail) by *Friday, March 11, 2011.

You may still apply even if you have received one or both before.

Please do not wait till the last minute to submit your applications!
