Knight Fellowship 2009

The MBF academic committee is happy to announce a competition for a 12 month stipend at 24,000/year named the Knight Fellowship. The fellowship is intended for 2nd or 3rd year PhD students within MBF, working with aspects of molecular biology (defined loosely as work involving some aspects of nucleic acids) and in good standing. Students with current or previous RSMAS or UofM based fellowship support will not be considered for this competition.

The application should be forwarded to Cary Rios (crios@rsmas.miami.edu) no later than November 9th and should include a one page summary of research accomplishments and planned remaining research, a two page CV as well as a letter of support from the student’s main advisor attesting to the planned research. The award of the Knight fellowship will be announced no later than November 27th.
