

Student Survey, After

Name _____ School _____ Date _____
 Grade _____ Subject _____ Module used _____

You have had a special opportunity to study environmental science and health issues. Please help us understand how it has affected you.

Effect on what you know about the issue None → Great

<p>Overall, how did the AMBIENT module affect <u>what you know</u> about the issue? Rate the effect Please list the key ideas you learned.</p> <p>1.</p> <p>2.</p> <p>3.</p>				
<p>Problem Solving Scenario How did this part affect <u>what you know</u> about the issue? Rate the effect Please explain how it affected what you know</p>				
<p>Internet Research How did this part affect <u>what you know</u> about the issue? Rate the effect Please explain how it affected what you know</p>				
<p>Lab Activities How did this part affect <u>what you know</u> about the issue? Rate the effect Please explain how it affected what you know</p>				
<p>How well did the module prepare you to <u>answer</u> your own <u>questions</u> about this issue? Rate the effect List the most important questions (top 3-4) that you are now able to answer</p> <p>1.</p> <p>2.</p> <p>3.</p>				
<p>How did this module affect your ability to <u>ask questions</u> about this topic? Rate the effect List the questions you have about this issue now (after the module)</p> <p>1.</p> <p>2.</p>				

3.				
How appropriate was the level of the material for you? Rate the effect Please explain your rating				
How effective was the problem-solving format in helping you to learn the content? Rate the effect. Tell what you learned about how to learn that you will use again.				

Effect on your sense of social responsibility and understanding of environmental ethics issues None → A lot

How important is it to you actively protect the environment? Please explain your rating				
How has the AMBIENT module affected how actively you <u>will</u> protect the environment in the future? Rate the effect. Tell what you learned about how to learn that you will use.				
How much of what you have learned will you use to protect your own health? Tell what you learned about how to learn that you will use.				

Effect on the connections you make between disciplines

None → A lot

How confident are you that you could explain how the big ideas of this module relate to different subject areas? Give a rating				
---	--	--	--	--

What would you say are the big ideas of the module?

BIG IDEAS

1.

2.

3.

How do they relate to different subjects?

Math

English

Social Studies

Science

Would you be interested in using more modules like this in the future?

Yes No Why or why not?

What suggestions do you have for improving this module?

None -> Great

How likely is it that you will have a career that
relates to something you have learned in this module?
Give a rating
