Name _____ School _____ Date _____
 Grade _____ Subject _____ Module used _____

You are about to have a special opportunity to study environmental science and health issues that may affect you. Please help us to gauge the effect on you by giving us some information before you begin.

Effect on what you know about the issue

None → Great

| What you <u>already know</u> about the issue? 1. 2. 3. | | | | |
|--|--|--|--|--|
| What questions do you have about the issue? 1. 2. 3. | | | | |
| Explain how you would go about finding the answers. How confident do you feel that you could answer these questions? | | | | |

Your sense of social responsibility and understanding of environmental ethics issues

Not → A lot

| | | | | |
|--|--|--|--|--|
| <p>How important is it to you actively protect your health in the environment? Please explain why you think it is important, or not.</p> | | | | |
| <p>How much do you know about how to protect the environment? Tell the key ideas you already know.</p> | | | | |

None -> Great

| | | | | |
|---|--|--|--|--|
| <p>How likely is it that you will have a career in environmental health sciences? Please explain your rating.</p> | | | | |
|---|--|--|--|--|

| | |
|---|--|
| <p>How do you think each subject could help you study the relationship between your health and the environment?</p> | |
| Marine biology | |
| Chemistry | |
| Mathematics | |
| Ecology | |
| Earth Science | |
| English | |
| Art | |
| Health | |
| Music | |
| Social Studies | |
| Ethics | |

Thank you! Please return to your teacher to send to the Evaluator, Dr. Hilarie Davis
