C. Research Support

Completed Research Support

7 R03 AG020712 Wilmoth (PI) 09/02-08/04
National Institute on Aging (NIA)
"Health, Social Support, and Housing Transitions"

This project used the AHEAD data to: 1) examine the degree to which social support moderates the relationship between health and housing transitions; 2) identify the effect of different sources of support on housing transitions, and 3) determine the relationship between the level of social support reliance and housing transitions.

Role: PI

Ongoing Research Support

1 K07 AG0155 Ferraro (PI) 03/01-02/06
National Institute on Health/National Institute on Aging (NIH/NIA)
"Interdisciplinary Research on Life Course Inequality"

The major goal of this project is to strengthen Purdue University research and training on aging and life course inequality.

Role: Co-investigator and project coordinator from 03/01 to 07/02.
