

# Guidelines and Requirements for Bus Passengers:

Ride the shuttle for **essential trips only**.

If you are physically able, consider walking or biking.

While waiting to board a bus, form a single-file line and maintain a six-foot distance from others.

A mask or face covering is **required** to board the bus and must be worn properly throughout the duration of your trip.

Maintain physical distance from your fellow passengers onboard by avoiding sitting or standing directly next to other passengers.

Maintain physical distance from your bus driver by not crossing the yellow line.
